

# Community Aviation Consultation Group

---

## Summary of Proceedings – 25 March 2015

### **Recommendations from Previous Meetings**

- Provide all-weather access at the Airport – ongoing item.
- The public consultation for the Runway 14 Golf Course departure track trial needs to be extensive.
- The Department of Infrastructure PCF/CACG Review to be transparent to all Group members.
- Noise Monitor locations to be communicated to the Group by Airservices – This item is now complete.

Gold Coast Airport Chief Operating Officer, David Collins, clarified and confirmed the Airports leasing of land in NSW.

### **Airport Developments**

- Gold Coast Airport General Manager Aviation, Charles Martin, gave an update on all projects currently underway.
- Queensland Airports Senior Projects Manager, Matt Shinkel, provided an update on Project 2018 and progress on the Airport Major Development Plan.
- Gold Coast Airport Manager Operations and Standards, Brett Curtis, presented on the ILS Project and its development.

### **Airservices Update**

Nick Seselja delivered a presentation to the Group covering:

- Smart Tracking Update
- Strategic Noise Improvement – RWY 14 Departures and Temporary Noise Monitors
- Permanent Noise Monitor Update

### **Jason Thomas – Director, Gold Coast Tourism Corporation**

A presentation was provided to the Group on Key Opportunities, Destination Marketing and Organisation and Industry Challenges.

### **Adam Allanson – ORIMA Consultant**

Adam gave an overview on the process and updated the Group on the status of the 2015 Review of Consultative Arrangements for Federally-Leased Airports.

### **Recommendations from this Meeting**

- Provide all-weather access at the airport - ongoing item.
